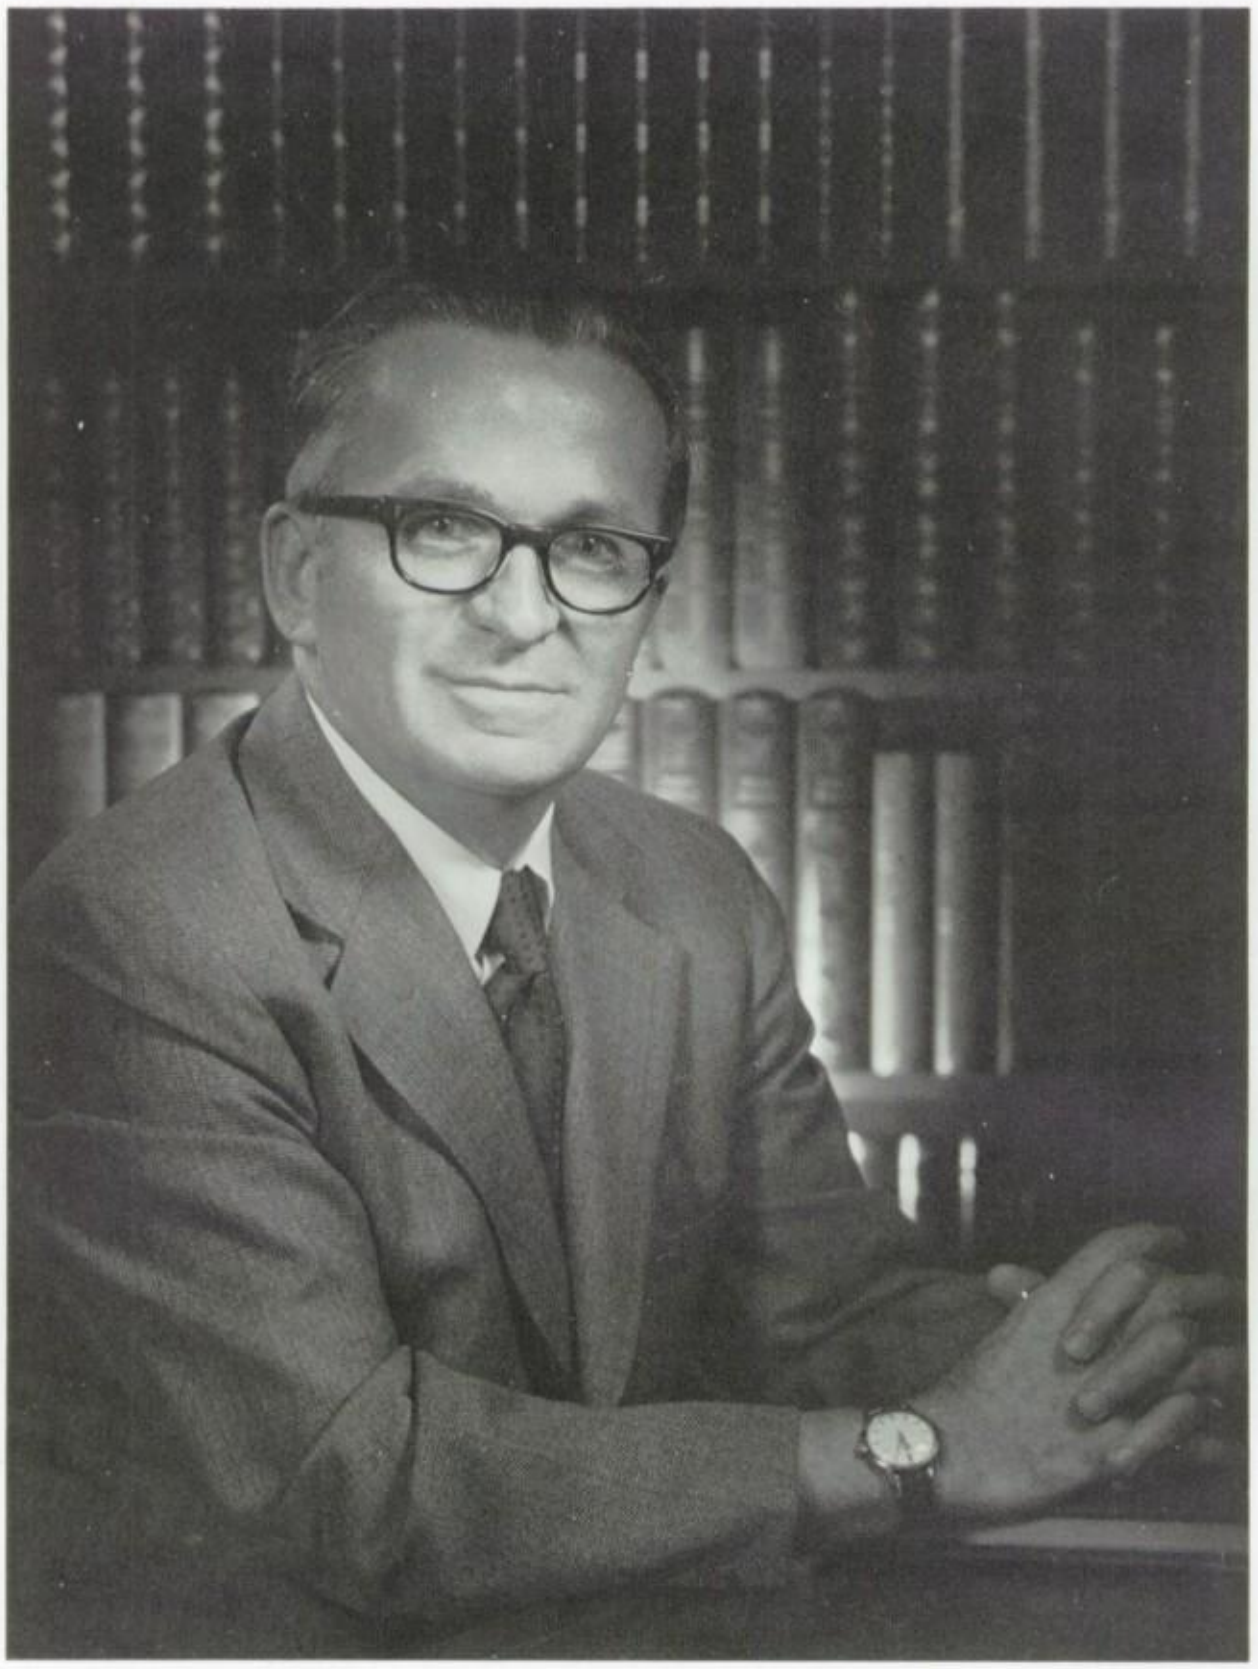
Dedication



Mr. Donald J. Quinn

We the class of 1975, wish to dedicate our yearbook to Mr. Donald J. Quinn. As teacher, senior advisor, and truly a friend of the students, Mr. Quinn has the admiration and respect of us all.

Through friendly, helpful means, Mr. Quinn does not just teach the facts and concepts of Social Sciences and Studies, but also how to apply these studies to our everyday living.

Not to be forgotten, Mr. Quinn's sense of humor is an important factor in his teachings. He makes the students feel comfortable in his class, but yet he keeps it efficient and well organized. He and his "army of Bud men" show the student that a little bit of humor can make a class more fun and interesting.

Mr. Quinn's hard work and concern for his students shows in his manners of teaching. He carefully balances criticism and commendation in his classes, he is alert and sensitive to the needs of others, and he is always willing to help.

For all these reasons, we wish to thank Mr. Donald J. Quinn in our own special way.

Mr. Howard E. VerGow, Superintendent

To The Graduates of 1975

Congratulations, to the members of the Class of 1975, upon the successful completion of your high school program.

I trust that the ideas, knowledge, skills and values you have accumulated over the years will serve you well as you accept the challenges and responsibilities of our time.

Best wishes are extended for your future success and happiness.

Howard E. VerGow
Superintendent

Mr. Frederick J. Alston
Principal

After observing the conscientious efforts on the part of your Odyssey Staff, I wish to commend you for a job well done. I am well aware of the many tasks accomplished which required working far beyond the call of duty. The extra hours expended by this group were indeed many. The patience shown by this group in meeting the various deadlines was most commendable.

All in all, I feel that you have by your efforts managed to capture the "Spirit of the Burgh" and transfer it to pictorial form which I am sure from time to time, in the future, bring back fond memories and recollections to us all.

Allow me to congratulate Wendy Ott, Erin Purcell, Michael Corrigan and your sponsor Mr. Robert Swanick for an excellent 1975 Odyssey.

Frederick J. Alston
Principal

To The Class Of 1975

Over the years, Lansingburgh High School has maintained a standard of high educational achievement and proud tradition. Your contributions have made a good school even better.

The class of 1975 faces a monumental task in the world ahead. If the June graduates throughout our land possess the qualities of the Lansingburgh Class of 1975, the future of our country is indeed bright. You have demonstrated to all, the desire, dedication, and the ability to get the job done by working together through your scholarship, athletics, organizations, and yearbook.

My sincere best wishes go with you all . . . You have made my first year back at the "Burgh" memorable and rewarding — for this my heartfelt thanks and deep respect.

1975 Senior Class Officers

President's Address

As June of 1975 quickly approaches us, we realize that our high school days at Burgh are coming to an end. Our senior class has shared many great experiences over what seemed to be a very short year. Our pep rallies, our magazine drive, the return to a winning tradition in sports, our proms, our senior play, "Oklahoma", and most of all, the desire of everyone in our class to be together, will always remain very bright in our memories.

At this time it is extremely hard to express the feelings I have for our Alma Mater. I would like to thank the administration, teachers, guidance counselors, Mr. Alston, and Mr. Swanick, and especially our fantastic class of 1975 for the great times I have had here at Burgh.

I hope the class of '75 will continue to experience the success and happiness that was found at L.H.S., for many years to come.

Alma Mater T.H.S.

Fondest thoughts with thee do rest,
Scarcely can our song express
Our love for thee.
All the treasures that you hold,
Treasures finer far than gold,
You gave us to have, to hold,
Dear T.H.S.

Alma Mater T.H.S.

Though the years take us from thee,
Faithful to thy memory
We will always be.
Ever at thy shrine we'll sing
Words of grateful offering.
Our hearts throb while memories cling
Dear T.H.S.

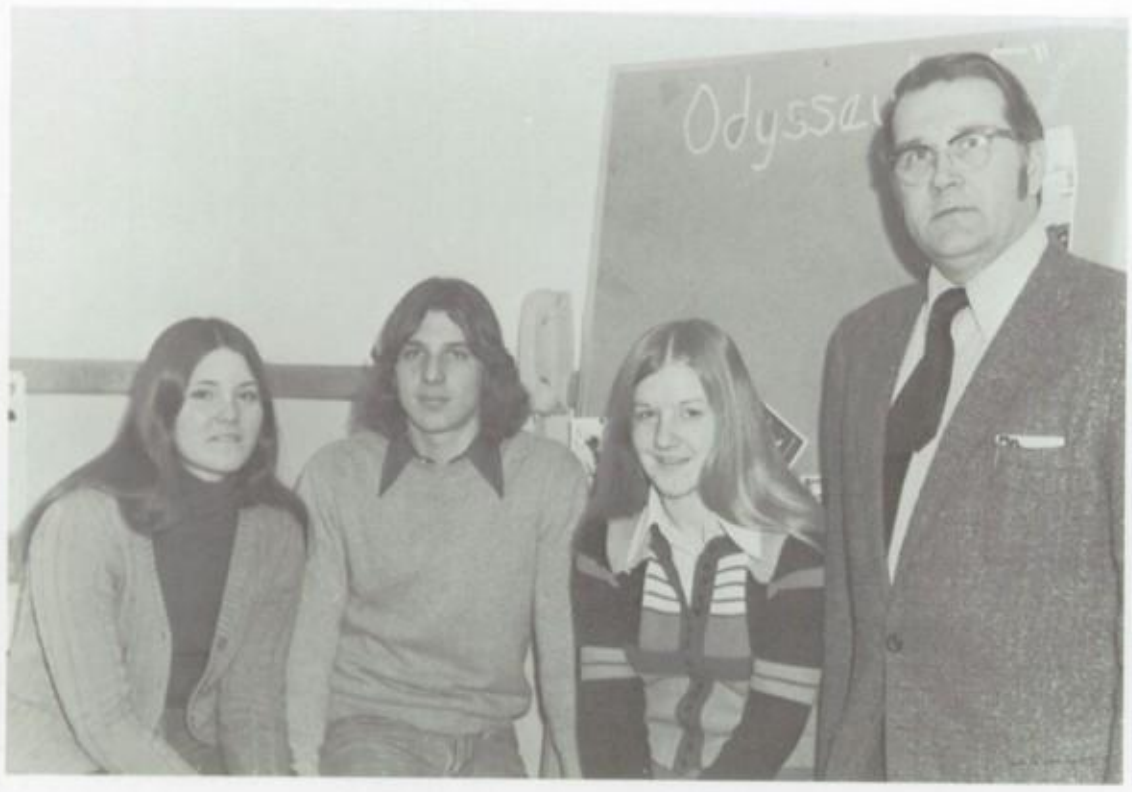
Odyssey '75



ODYSSEY EDITORS: Erin Purcell, Mike Corrigan, Wendy Ott, Mr. Swanick; Advisor.

As 1975 **Odyssey** Editors, we were proud to represent our school in the attempt to preserve the memory of the spirit, togetherness, friendship, goodwill, and sense of unity that we feel was present for all of us during our years at 'Burgh. We would like to extend our deepest gratitude to our advisor, Mr. Swanick, and the **Odyssey** staff for all the help and support they have given us throughout the year. We hope **Odyssey '75** captures a part of the tremendous quality that we feel the "Class of '75" possesses.

The '74 Burgh Varsity Football season began with what was a dismal start — losing to Mechanicville 13 - 0 and Cohoes 12 - 7. Then came the surprise. Seven straight wins and a second place finish in the council. Five team members received first team All-City honors. Coach Ron Schott was named Coach of the Year. A great finish to a great season.

The 74-75 Burgh hoop team looked good on paper before the season began. The team lost but one senior through graduation. They were picked to finish first in the Colonial Council, but due to morale problems got off to a slow start. After a few changes, though, the team turned it around and won 12 of its last 14 games. They finsihed second in league play behind Ravena, which was the only team to beat them twice. Congratulations to a team that had the finest Burgh season since 66-67.
